

Clearing Negativity

This procedure assumes that you have access to the books 'Words of Power, Resonance for The Golden Age' and 'The Path to Divinity'

http://eftsa.com/eft_books_etc/our_book_words_of_power/

In these books you will find “**The Grand Program For Transformation**”. I recommend that you read this Program out loud **ten times** before doing the following procedure.

Here are the steps to clear negativity.

Say this: "I want the highest of truth and the highest of beneficence, this is my will and therefore as it be the will of the Highest, so let it be done."

Go into the smallest molecule of light.

Fill yourself to overflowing with Highest Love: "I hereby fill myself to overflowing with the Highest of Love NUA NUA NUA NUA"

"I hereby send healing along all non-beneficial links and non-beneficial relationship cords NUA NUA NUA NUA"

"I hereby delete any and all non-beneficial links and non-beneficial relationship cords KA KA KA KA"

"I say NO to the creation, establishment, and maintenance of non-beneficial links and non-beneficial relationship cords NO NO NO NO"

Then say, "I hereby dismiss any and all non-beneficial negativity from myself and from all that is mine, including my house and car". Include pets here if you have any.

Then say, "KA. KA, KA, KA" (use an out breath for each KA)

Then visualize yourself and your property surrounded by and engulfed in and filled to overflowing with a clear brilliant light and say, "I fill myself and my property to overflowing with the highest of love".

Then say, "NUA, NUA, NUA, NUA". (use an out breath for each NUA)

Then say, "I hereby strengthen my auric shield and the shield around my property. Only that which is positive and beneficial may pass the boundaries of my property into my property."

Then say, "KUOA, KUOA, KUOA, KUOA" (use an out breath for each KUOA)

Then say, "I give and receive of thanks"

Repeat every 4 hours or so until the problem goes.
